Xebec Announces Appointment of New Chief Financial Officer

MONTREAL, (QC), October 17, 2016 - Xebec Adsorption Inc. (TSXV: XBC) ("Xebec"), a provider of gas purification, generation and filtration solutions for the natural gas, field gas, biogas, helium, oxygen, nitrogen and hydrogen markets, is pleased to announce the appointment of Louis Dufour, C.P.A., C.A., to the position of Chief Financial Officer, effective October 31, 2016.

Mr. Dufour brings with him more than 20 years of corporate finance and operational experience, most recently as a Partner of CFO Optimum, where he had financial oversight from cost accounting and IT implementation, through risk management, M&A integration, and governmental negotiations. Before that, Mr. Dufour held the role of Vice President, Finance & CFO, for Clifton Star Resources Inc., a mining company in Abitibi.

"We are pleased to welcome Louis to Xebec. He will be a strong addition to the management team as we continue growing our business in gas purification and filtration," said Kurt Sorschak, President and CEO.

Mr. Dufour has a proven track record of solid financial management in a variety of industries in financial reporting, regulatory compliance, internal control and corporate finance activities. He holds a B.A.A. from l'École des Hautes Études Commerciales and is a Professional Chartered Accountant, C.A.
